OMNIA Partners Region 4 Contract Number: R240304

Period of Performance: 1/1/2025- 12/31/2029

Contract holder: DLT Solutions

OMNIA Partners, Public Sector is the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement. Our immense purchasing power and world-class suppliers have produced a comprehensive portfolio of cooperative contracts and partnerships, making OMNIA Partners the most valued and trusted resource for organizations nationwide.

Through the economies of scale created by OMNIA Partners, our participants now have access to an extensive portfolio of competitively solicited and publicly awarded agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

About Region 4 Education Service Center: Region 4 ESC, located in Houston, Texas, is the largest of 20 regional education service centers established by the Texas Legislature in 1967. By partnering with OMNIA, Region 4 ESC enables OMNIA members with access to a wide range of pre-negotiated contracts with various pre-vetted vendors, eliminating the need for individual competitive bidding processes. By aggregating national demand, Region 4 ESC can provide volume discounting and more favorable terms to OMNIA members than any one agency could negotiate on their own. Region 4 ESC and OMNIA promote transparency and accountability in the procurement process through an open bidding process.
